

### **REMARKS**

In response to the Notice to File Corrected Application Papers mailed on May 20, 2011 (hereinafter "Notice"), the Applicant offers the amendment noted above. In the Notice, the Patent Office indicated that the drawings filed on July 26, 2004 included Figure 5; however, according to the Notice, the brief description of drawings of the originally filed application did not describe a drawing with that designation. The Applicant has amended the Specification as noted above to include a description of Figure 5 in the section of the Specification entitled "BRIEF DESCRIPTION OF THE DRAWINGS" of the originally filed application. The Applicant submits that the application is complete. The Examiner is encouraged to contact the Applicant's representative regarding any remaining issues.

Respectfully submitted,

WITHROW & TERRANOVA, P.L.L.C.
